In OCaml, there are inlined strings in the module String. In those, the contents are compiled in the same position. I want to make use of this functionality for string like data instead of using seq function in C. A: A P/Invoke project called SysUtils has a set of libraries that makes similar functionality available to C#/F#/etc. I don't know what those libraries are called, but you might look at the source for the implementation of inlined strings to see how they're implemented. This would be a similar path to what you're trying to do. A: The easy way is to use the C / F# libraries that are found in opam or opam-forge. For example, in opam-forge, the inlined_string library is found in sysutils. Jack Bogle Jack Bogle (born June 20, 1931) is an American author and former stockbroker. Early life and family Bogle was born John Goodspeed Bogle to James Herbert Goodspeed and Mary Elizabeth (Goodspeed) Bogle on June 20, 1931, in New York City, New York. Bogle's mother Mary Elizabeth was a native of Joliet, Illinois, while his father was the son of a wealthy investment banker from Schenectady, New York. He has one older brother, John Goodspeed Bogle (later Knight), and one sister, Catherine. He attended Trinity School in New York City, graduating in 1948. His father died in 1952, and he inherited a vast fortune from his father's estate. He graduated from Harvard College in 1952, where he was Phi Beta Kappa, and earned a law degree from Yale Law School in 1955. He married Barbara West on February 22, 1958. Business and investing career He became a stockbroker, and an investor. He founded the Vanguard Group, a mutual fund company in 1958, of which he is still the co-founder and chairman. In the 1980s he began a crusade against the growth in investment management fees. He also took on the role of a lit

Tuition is soaring — by a lot — at many leading private universities, and many students from working-class families simply cannot afford to borrow money to cover the bills. Nearly every large, flagship university in the state raised tuition substantially in recent years. For some, the increase was modest. For others, the figure was more
