Feedback Your feedback is very much appreciated in order to improve the website and make it more user friendly. You can send us your feedback using the form below.Q: Trigger and Jquery event Hello guys I'm trying to run an event when the input value is between the numbers 35 and 100, but I don't manage to do it. I was thinking of a

trigger event, but I don't know how to apply it to get a good effect.

```
$(document).ready(function() {  
$("#myInput").on("keypress", function()  
    { if (this.value > 100) {  
$("#myOutput").html("No valid range");  
c6a93da74d
