I reinstalled Windows XP Media Center Edition 2005 from the TechNet discs and now the product key does not work on my computer. The TechNet discs contain several distributions of Windows XP Media Center Edition 2005 with a product key. It may be necessary to activate Windows Media Center Edition 2005 with a product key during the installation phase. To solve the problem, do the following:

1. Remove the installation CD from the box.
2. Insert the CD.
- 4.
